UN-PROVED

10902 **BAGGED 20's BUTTER CROISSANT -**
JUMBO CURLED

The un-proved frozen nugget is a cost efficient product for the baker who can prove nuggets in a warm room overnight and bake early the next morning. Mostly suitable for high volume bakeries, although a surprising number of consumers will buy these and prove overnight in a warm room or oven at 75°C. A smart choice for the savvy baker.
